

FW-SH

Sprinkler Head Camera

FW-SHHW

Non-functional sprinkler head with hardwired B/W, 420 TVL, .05 lux, 1/3" CCD camera and power supply. One-year warranty.

FW-SHHW(C)

Non-functional sprinkler head with hardwired Color, 380 TVL, 0.5 lux, 1/4" CCD camera and power supply. One-year warranty.

The hardwired sprinkler head camera is the perfect solution for covert video installation in almost any environment. Available in black & white or color, the sprinkler head camera wires into your standard CCTV system like any other camera, but the camera itself is undetectable! Providing easy installation in drop ceilings, the sprinkler head camera is also great for interview rooms!

Please note, the sprinkler head is not functional and should not be used as a safety device!
